 Now the radio stutters. snaps to life.

 In a universe where you see the worst,

 And you want to shout
C A# Am F D
 How you see it all

It's easy to dismiss the 'what's it all about' crowd.
 There is no doubt. it's this, here, now.
 And you close your eyes.
 /|
 He's not coming back.
 /|
 So you work it out, overfeed the cat.
 |
 And the plants are dry and they need to drink.
 _|
 So you do your best. and you flood the sink.
 Sit down in the kitchen and cry.

Now you've worked it out
 —

And you see it all |

And you've worked it out

And you see it all

And you want to shout |

How you see it all

Am F

Now the universe left you for a runners lap.
It feels like home when it comes crashing back.
And it makes you laugh
And it makes you cry,
/|
When London falls
/|
And you're still alive.
|
The radio stutters,
_|
It makes you laugh
And the aftermath,
Open up your eyes.
You're so alive.

Now you've worked it out
And you see it all
And you've worked it out
—
And you see it all |

And you want to shout

How you see it all

How you've worked it out |

And you see it all
How you've worked it out
And you see it all
