

Bb *A* *E*
I've said it once and I'll say it again
Bb *A* *E*
I've got something hanging over my head
Bb *A* *E*
I was laying on your shoulder, perfectly content
D *F#m* *G*
Until you told me all over again

Bb *A* *E*
I ain't got no sob story to write
Bb *A* *E*
But just like everyone else I'm living this life
 Bb *A*
And you don't need to win me over
 E *D*
And there ain't no other side to shelter me from
F#m *G*
I'll belong where I decide

[Chorus]
 D
But you say we don't mess around
 F#m
You've got no freedom to come down
 G *A*
We don't take angels from the sky
 D
Oh no we don't mess around
 F#m
You're meant to be among the clouds
 G
'Cause you're an angel
 A
But that's a lie

[Verse 2]
Bb *A* *E*
Well I suppose you think I'm so flattered to hear
Bb *A* *E*
That I'm the whisper conscience in your ear
Bb *A* *E*
And that's exactly the reason that I'll never fit in here
D *F#m* *G*
Well nothing's ever that black and white, my dear

[Chorus]
D
I'm not your angel, darling
F#m
I'm not your angel, darling
G A
I am never gonna be
D

I'm not your angel, darling

F#m

I'm not your angel, darling

G A

I am never gonna be
