Sözler:

I lied and told her I loved her
 she didn't care but anyway
 I told her we'd still be friends
 and she didn't care but anyway
 I tried last week for to call her
 she wasn't home but anyway
 I think I'll spend my life alone
 I really don't care right now but anyway

=09it's a state of affairs
 =09and a state of emotions
 =09the kind of thing you must
 =09understand
 =09I tell you one thing
 =09you'll tell me another
 =09we walk away
 =09maybe then shake hands

I'm quitting cigarette smoking
 it's bad for me but anyway
 I don't think the TV was joking
 when it told me this but anyway
 the newsman said not to sit on
 strange toilet seats
 it's my life he's trying to save but anyway
 I found out that I got eye cancer
 too many television waves but anyway

=09Chorus

some day an anser will find us
 quite a long shot but anyway

I think the past is behind us
be real confusing if not but anyway
I put all my hope in tomorrow
it's gonna be great I can tell but anyway
I see a new day a dawning
I like to sleep late, oh well, but anyway
