When did the rain become a storm?

When did the clouds begin to form?

Yeah we got knocked out of course by a natural force

And well, we'll be swimming when it's gone

Chorus:

And I remember your eyes were so bright

When I first met you, so in love that night

And now i'm kissing your tears goodnight

And I can't take it, you're even perfect when you cry

Beautiful goodbye, bye, bye

It's dripping from your eyes,

Your beautiful goodbye,

It's dripping from your eyes, oh yeah

Bridge:

*D Em*

All the pain you try to hide

*C G*

Shows through your mascara lines,

*D Em C*

As they stream down from your eyes

*D Em*

And let them go, let them fly

C G

Holding back won't turn back time

D Em C

Believe me, i've tried

Chorus:

Your eyes were so bright

And I remember your eyes were so bright

And I remember your eyes were so bright

When I first met you, how in love were we that night

And now i'm kissing your tears goodnight

And I can't take it, you're even perfect when you cry

Beautiful goodbye, bye, bye

It's dripping from your eyes,

Your beautiful goodbye,

It's dripping from your eyes, yeah
