Am Take me back to my boat on the river I need to go down, I need to come down Am Take me back to my boat on the river Am And I won't cry out anymore Am С Time stands still as I gaze in her waters Ε She eases me down, touching me gently With the waters that flow past my boat on the river So I don't cry out anymore G Oh the river is wide С The river it touches my life like the waves on the sand Am And all roads lead to Tranquillity Base Ε Where the frown on my face disappears Am CTake me down to my boat on the river Am And I won't cry out anymore Oh the river is deep C The river it touches my life like the waves on the sand And all roads lead to Tranquillity Base Where the frown on my face disappears Am C Take me down to my boat on the river I need to go down, won't you let me go down C Am Take me back to my boat on the river And I won't cry out anymore Am And I won't cry out anymore Am

And I won't cry out anymore...
