Comes the time for
G Am
And I really have to ask
Am Dm
If this is feeling merry
G C
How much longer must it last?
C F
I wish a one horse open sleigh
G Am
Would come carry me away
Am Dm
But I've been waiting here all day
G C
And one just hasn't come my way
6
C F
Now excuse me if I'm not being reverent G Am
But I was hoping for a miracle to hold me, wash me
Am Dm
Save me from my righteous doubt
G C
as I watch helpless, and everybody sings

And as you raise your Yuletide flask

Am There's like this feeling that you carry G С As if from every past С F It's as if each year it grows G Am It's like you feel it in your toes Dm And on and on your carol goes С Harvesting love among your woes С I want to buy into the benevolent And I was hoping for a miracle to hold me, wash me Am Dm Make me know what it's about CG As the longing in me makes me want to sing Noel or Navidad Season celebration or just the end of the year Dm can mean anything G And I mean to keep its hope forever near Repeat la's.... G Am As if a cold and frozen soul is warm to love By loves own hand G So goes the prayer if for a day peace on earth G And good will to man At twenty below the winter storm it billows G Am G But the fire is so warm inside And the children while nestled in their pillows С Dream of St. Nicholas's ride

And how the next day they'll get up and they will play			
G	Am G		
In the still falling snow

And together we'll celebrate forever

In defiance of the winds that blow

My god in heaven now I feel like I'm seven

And the spirit calls to me as well
