Como esta amigo

*D F C G*

For the death of those we don t know

*D F C G*

Shall we kneel and say a prayer

*D F C G*

They will never know we care

*Bb9 C9*

Shall we keep the fires burning

*Bb9 C9*

Shall we keep the flames alive

*Dm F C*

Should we try to remember

*Bb9 C9 D9*

What is wrong and what is right

*D Bb9 C9 Bb9 D9 D9*

No more tears no more tears

*Dm Bb9 D9*

If we live for a hundred years

*Bb9 C9 D*

Amigos no more tears

*D9 C9 Bb9 2x*

*C B Dm*

And if we do forget them and

The sacrafice they made

Will the wickedness and

Sadness come to visit us again

Shall we dance a dance in sunlight

Shall we drink the wine of peace

Shall our tears be of joy

Shall we keep at bay the beast

No more tears no more tears

If we live for a hundred years

Amigos no more tears

Inside the scream is silent

Inside it must remain

No victory and no vanquished

Only horror only pain

*D Bb9 C9 Bb9 C9 D9*

No more tears no more tears

*D Bb9 C9 Bb9 C9 D9*

If we live for a hundred years

*Bb9 C9 D*

Amigos no more tears

*D9 C9 Bb9 2x*
