

Verse:

*F G F Dm*

Take these hands they're good for nothing

*F G F Dm*

You know these hands never worked a day

*F G F Dm*

Take these boots they're going nowhere

*F G F Dm*

You know these boots don't want to stray

Pre-Chorus:

*F G F Dm*

You got my head filled with songs

*F G F Dm*

You got my shoelaces undone

*Dm F*

Take my shirt, go on take it off me

*C*

You can tear it up

*G*

If you can tie me down

Chorus:

*Dm C*

Do you feel loved

*F G*

Do you feel loved

*Dm C*

Do you feel loved

*F G*

Do you feel loved

Take the colours of my imagination

Take the scent hanging in the air

Take this tangle of a conversation

And turn it into your own prayer

With my fingers as you want them

With my nails under your hide

With my teeth at your back

And my tongue to tell you the sweetest lies

Do you feel loved

Do you feel loved

Do you feel loved

And it looks like the sun

But it feels like the rain

*F G*

(I wouldn't hurt you)

*F Dm*

(I wouldn't hurt you)

*F G*

(I wouldn't hurt you)

*F* *Dm*

(I wouldn't hurt you)

Intro Riff

Love is coming, pushing and shoving

In the belly of a woman

Heavy rhythm taking over

To stick together

A man and a woman

Stick together

Man and woman

Stick together

And I feel loved

Do you feel loved

Do you feel loved

And it looks like the sun

But it feels like rain

And there's heat in the sun

To see us through the rain

Do you feel loved

Do you feel loved

Do you feel loved

*F G F Dm* (repeat as desired)

End on *Dm*
