

Cm

Dogs of war, and men of hate,

With no cause, we don't discriminate,

Discovery, is to be disowned,

Our currency, is flesh and bone,

Ebm

Hell opened up, and put on sale,

Gather 'round and haggle,

Cm

For hard cash we lie, and deceive,

But even our masters don't know the webs we weave,

Ab

One world, it's a battleground,

Fm

One world, and we will smash it down,

Cm

One world, one world

Cm

Invisible transfers, long distance calls,

Hollow laughter, in marble halls,

Steps have been taken, a silent uproar,

Has unleashed the dogs of war,

Ebm

You can't stop what has begun,

Signed, sealed, they deliver oblivion,

Cm

We all have a dark side, to say the least,

And dealing in death is the nature of the beast

Ab

One world, it's a battleground,

Fm

One world, and we will smash it down,

Cm

One world, one world,

[solo]

[last verse w/ overdubs below]

Cm

The dogs of war wont negotiate

The dogs of war wont capitulate

They will take, and you will give,

And you must die, so that they may live,

Ebm

You can knock, at any door,

But where ver you go, you now they've been there before,

Cm

Winners can lose, things can get strained,

But whatever you change, you know the dogs remain,

Ab7

One world, it's a battle ground,

Fm

G7sus4

One world, and we will smash it down,

Cm

One world, one world

repeat second verse with different lyrics,

solo
