Verse 1: |G#m |D#m |G#m |D#m |

|G#m |D#m |B |D# |

So you're with her

And not with me

I hope she's sweet

And so pretty

I hear she cooks delightfully

A little angel beside you

Verse 2: |G#m |D#m |G#m |D#m |

|G#m |D#m |B |D# |B Bb |D# |

So you're with her

And not with me

Oh how lucky

One man can be

I hear your house

Is smart and clean

Oh how lovely

With your homecoming queen

Oh how lovely

It must be

Even though it sounds like a D# where i've got an E it IS actually an E.

Chorus: |G#m C#m |E |G#m C#m |E |

|G#m C#m |E |B Bbm |D# |

When you see her sweet smile baby

Don't think of me

When she lays in your warm arms

Don't think of me

Verse 3: |G#m |D#m |G#m |D#m |

|G#m |D#m |B |D# |

|B |D# |B |D# |

So you're with her
And not with me
I know she spreads
Sweet honey
In fact your best friend
I heard he spent
Last night with her
Now how do you feel

Play Chorus:

This bit is the same as the chorus except the first 'C#m' is changed to a 'C'

And it's too late
And it's too bad
Don't think of me
Oh it's too late
Oh it's too bad
Don't think of me

Bridge: |G#m |C#m |G#m |E |

|G#m |C#m |G#m |D# |D# |

Does it bother you now
All the mess I made
Does it bother you now
The clothes you told me not to wear
Does it bother you now
All the angry games we played
Does it bother you now
When I'm not there

Play Chorus

And it's too late
And it's too bad
Don't think of me
Oh it's too late
Oh it's too bad
Don't think of me
