I am a vision, I am justice

(C#5 D#5)

Never thought that I could love

Living in shadows, faded existence

It was never good enough

Within the darkness, you were the light

That shines away

You're trapped in violence, I can be the man

Who saves the day?

G#5 D#5 C# (D#5 F5 G5 G#5 = INTRO)

I'm there for you

No matter what

I'm there for you

Never giving up

I'm there for you

For you

Someone has changed me, something saved me

Now this is who I am

Although I was blinded, my heart let me find that

Truth makes a better man

I didn't notice that you were right in front of me

A mask of silence, we'll put away so we can see

G#5 D#5 C# (D#5 F5 G5 G#5)

I'm there for you

No matter what

I'm there for you

Never giving up

I'm there for you

For you

For you
