

Verse 1 [Liam]:

G

Girl I see it in your eyes you're disappointed

D *Em*

'Cause I'm the foolish one that you anointed with your heart

C

I tore it apart

G

And girl what a mess I made upon your innocence

D

And no woman in the world deserves this

Em *C*

But here I am, asking you for one more chance

[Harry]:

G *D*

Can we fall, one more time?

Em *C*

Stop the tape and rewind

G *D*

Oh and if you walk away I know I'll fade

Em *C*

'Cause there is nobody else

G *D*

It's gotta be you

Em *C*

Only you

G *D*

It's got to be you

Em *C*

Oh, Only you

[Liam]:

G

Now girl I hear it in your voice and how it trembles

D *Em*

When you speak to me I don't resemble, who I was

C

You've almost had enough

G

And your actions speak louder than words

D

And you're about to break from all you've heard

Em *C*

Don't be scared, I ain't going no where

[Zayn]:

G *D*

I'll be here, by your side

Em *C*

No more fears, no more crying

G *D*

But if you walk away I know I'll fade

Em C
'Cause there is nobody else

G D
It's gotta be you

Em C
Only you

G D
It's got to be you

Em C
Oh, Only you

[Zayn]:

G
Oh girl, can we try one more, one more time?

D
One more, one more, can we try?

Em
One more, one more time

C
I'll make it better

[All, Zayn leading voice]

G
One more, one more, can we try?

D
One more, one more,

Em C
Can we try one more time to make it all better?

G D
It's gotta be you

Em C
It's gotta be you

G D
Oh, Only you

Em C
Only you

G D
It's gotta be you

Em C
Only you

G D
It's got to be you

Em C
Oh, Only you
