

Intro: *D - E - G - D* (2X)

D *A*

Let me tell you a secret

E

Pur it in your heart and keep it

G *D*

Something that i want you to know

A

Do something for me

E

Listen to my simple story

G *D*

And maybe we'll have something to show

G

You tell me you're old on the inside

A *Bm*

How can the outside world

Be a place that your heart can embrace

G

Be good to yourself

A

Because nobody else

Bm *D*

Has the power to make you happy

(N)

D

How can i help you

E

Please let me try to

G

I can heal the pain

D

That you're reeling inside

D

Whenever you want me

E

You know that i will be

G

Waiting for the day

D

That you say you'll be mine

A *E*

He must have really hurt you

G *D*

To make you say the things that you do

A *E*

He must have really hurt you

G *D* *G*

To make those pretty eyes look so, so blue

G *A*
He must have known
 Bm
That he could
 G
That you'd never leave him
 A *Bm*
Now you can't see my love is good
 D
And that i'm not him

(N2)
 E
How can i help you

Please let me try to
 G
I can heal the pain
 D
Won't you let me inside
D
Whenever you want me
 E
You know that i will be
 G
Waiting for the day
 D
That you say you'll be mine

Vocal:
D - E - G - D (2)

Bm
Who needs a lover
 B
That can't be a friend
 E
Something tells me i'm the one you've been
D
looking for
Bm *B*
If you ever should see him again
E
Won't you tell him you've found someone
D
who gives you more

Bm
Someone who will protect you
B
Love and respect you
E
All those things
 D *Bm*

That he never could bring to you

B

Like i do

E

Or rather i would

D

Won't you show me your heart

G - A - Bm (2)

Like you should

(Chorus 2)

D

How can i help you

E

Please let me try to

G

I can heal the pain

D

Won't you let me inside

D

Whenever you want me

E

You know that i will be

G

Waiting for the day

D

That you say you'll be mine

D

Won't you let me in

E

Let this love begin

G

D

Won't you show me your heart now

D

I'll be good to you

E

I can make this true

G

D

And get to your heart somehow

D - E - G - D (2)
