in my heart I belong in a house by the sea

they say home is a place where you're needed then I am home now but I am leaving to feel my feet being kissed by the seaweed and I'll be silent and kiss it back this is not who I want you to see it's just adding on weight to the darkness in me and from the little I have understood I believe that a house by the sea would do good

they say home is a place you can choose to be and I've decided to carry home inside me so it's not really as if I am leaving it's more like something pulling me 'cause behind everything that I do I just want to forget, want to carry this through fill my lungs with the sweet summer air in my heart in my mind I am already there

yeah behind everything that I do
I just want to come home and lay down beside you
and then I'll be who I wanted to be
in my heart I belong in a house by the sea
