

Bm *A*
i'm afraid of the dark
G
'specially when i'm in a park
A
and there's no-one else around,
Bm
ooh, i get the shivers.
Bm *A*
i don't want to see a ghost,
G
it's a sight that i fear most.
A
i'd rather have a piece of toast
Bm
watch the evening news.

chorus
Bm *A* *D G* *A*
life, oh life, oh li-fe, oh life
Bm
doo, doot doot dooo,

Bm *A* *D G* *A*
life, oh life, oh li-fe, oh life
Bm
doo, doot doot dooo

Bm *A*
i'm a superstitious girl,
G
i'm the worst in the world.
A
never walk under ladders,
Bm
i keep a rabbit's tail,
A
i'll take you up on a dare,
G
anytime, any-where.
A
name the place, i'll be there,
Bm
bungee jumping, i don't care !

chorus
Bm *A* *D G* *A*
life, oh life, oh li-fe, oh life
Bm
doo, doot doot dooo,

Bm *A* *D G* *A*
life, oh life, oh li-fe, oh life
Bm

doo, doot doot dooo

Bm *A*
so after all's said and done

G
i know i'm not the only one.

A
life indeed can be fun,

Bm
if you really want to.

Bm *A*
sometimes living out your dreams,

G
ain't as easy as it seems.

A
you wanna fly around the world,

Bm
in a beautiful balloon.

chorus

Bm *A* *D G* *A*
life, oh life, oh li-fe, oh life

Bm
doo, doot doot dooo,

Bm *A* *D G* *A*
life, oh life, oh li-fe, oh life

Bm
doo, doot doot dooo
