

D

if you

if you could return

A

don't let it burn don't let it fade

C

i'm sure i won't be rude

but it's just your attitude

G

it's tearing me apart it's ruining everyday.

I swore, I swore I would be true

but honey so did you

so why were you holding her hand

is that the way we stand

were you lying all the time

was it just a game to you

But I miss you

you know I'm such a fool for you

you got me wrapped around your finger

do you have to let it linger

do you have to

do you have to

do you have to let it linger

Oh, I thought I loved you

I thought that nothing could go wrong

but I was wrong

I was wrong

If you, if you could get by

trying not to lie

things wouldn't be so confused

and I wouldn't feel so used

but you always ruin you

I just wanna be with you

and I miss you

you know I'm such a fool for you

you got me wrapped around your finger

do you have to let it linger

do you have to

do you have to

do you have to let it linger

and I miss you

you know I'm such a fool for you

you got me wrapped around your finger

do you have to let it linger

do you have to

do you have to

do you have to let it linger

you know I'm such a fool for you
you got me wrapped around your finger
do you have to let it linger
do you have to
do you have to
do you have to let it linger
