

Em D

I'm Walkin'

Em

Through streets that are dead.

D

Walkin',

Em

Walkin' with you in my head.

D B A

My feet are so tired, my brain is so wired,

Em

And the clouds are weepin'.

Em D

Did I

Em

Hear someone tell a lie.

D

Did I

Em

Hear someone's distant cry.

D B A

I spoke like a child, you just struck me with a smile,

Em G A

While I was sleepin'.

G A

I'm sick of love,

Em G A

And I'm in the thick of it.

G A

This kind of love,

Em

I'm so sick of it.

Then in the same way:

I see

I see lovers in the meadow.

I see

I see silhouettes in the window.

I watched them 'till they're gone, and they leave me hangin' on,

To a shadow.

I'm sick of love,

I hear the clock tick.

This kind of love,

I'm lovesick.

Sometimes

The silence can be like - thunder.

Sometimes

I wanna take to the road and - plunder.

Could you ever be true, I think of you,

And I wonder.

G A G A
I'm sick of love,
Em G A
I wish I never met you.
G A
I'm sick of love,
Em
I'm tryin' to forget you.
Em D C
Just don't know what to do, I'd give anything to
B Em
Be with you.
