Verse 3. (accoustic)

G Bb C

pinch the head off, collapse me like a weed

Α

someone had to go this far

G Bb

I was born into this

C5 (distortion kicks in here)

everything turns to shit

A5

the boy that you loved is the man that you fear

## Chorus 2.

E5 B5

peel off all those eyes and crawl into the dark,

C5

you've poisoned all of your children to camouflage your scars

E5 B5

pray unto the splinters, pray unto your fear

C5

pray your life was just a dream the cut that never heals

E5 B5 C5

pray now baby, pray your life was just a dream

E5 B5 C5

the world in my hands, there's no one left to hear you scream
