

E5 G5

i was alone, falling free

C5 B5

trying my best not to forget

E5

what happened to us

G5

what happened to me

C5 B5

what happened as i let it slip

E5 G5

i was confused by the powers that be

C5 B5

forgetting names and faces

E5 G5

passers by were looking at me

C5 B5

as if they could erase it

E5 G5 C5 B5

baby, did you forget to take your meds?

baby, did you forget to take your meds?

i was alone staring over the ledge

trying my best not to forget

all manner of joy

all manner of glee

and our one heroic pledge

that would matter to us

that would matter to me

and the consequences

i was confused by the birds and the bees

forgetting if i meant it

baby, did you forget to take your meds? (alison)

baby, did you forget to take your meds? (alison)

baby, did you forget to take your meds? (alison)

baby, did you forget to take your meds? (alison)

E5 G5 C5 B5

sex, and drugs, and complications

E5 G5 C5 B5

and the sex, and the drugs, and the complications

and the sex, and the drugs, and the complications

and the sex, and the drugs, and the complications

baby, did you forget to take your meds?

baby, did you forget to take your meds?

baby, did you forget to take your meds?

baby, did you forget to take your meds?

baby, did you forget to take your meds?

baby, did you forget to take your meds?

i was alone, falling free

trying my best not to forget
