

Intro (same as chorus): A - Em - G6/C G - D (2x)

Bm

Came in from a rainy thursday

A Em

on the avenue

Bm A Em

thought I heard you talking softly

Bm

I turned on the lights, the tv

A Em

and the radio

Bm A Em

still I can't escape the ghost of you

Bm

What is happened to it all?

F#m

Crazy, some say

C#m7 G

Where is the life that I recognize?

gone away

A Em

But I won't cry for yesterday

G6/C

there's an ordinary world

G D

somehow I have to find

A Em

And as I try to make my way

G6/C

to the ordinary world

G D

I will learn to survive

(Break: finger pick a Bm with some variations, walking down the high notes)

(The rest of the song is the same as above!)

Passion or coincidence

once prompted you to say

"Pride will tear us both apart"

Well now pride's gone out the window

cross the rooftops, runaway

left me in the vacuum of my heart

What is happening to me?

Crazy, some say

Where is my friend when I need you most?

Gone away

But I won't cry for yesterday

there's an ordinary world

somehow I have to find
And as I try to make my way
to the ordinary world
I will learn to survive

Papers in the roadside
tell of suffering and greed
feared today, forgot tomorrow
ooh, here beside the news
of holy war and holy need
ours is just a little sorrowed talk

(Just blowing away)

And I don't cry for yesterday
there's an ordinary world
somehow I have to find
And as I try to make my way
to the ordinary world
I will learn to survive

every world is my world
(I will learn to survive)
any world is my world
(I will learn to survive)
any world is my world
every world is my world
