A5

Stranded in this town

My machine slows down

G5

To take me where the night begins

A5

I'm playing everywhere

F5

Loving here and there

A5

I always take the chance to win

A5

Drove a million miles

Gambling rules my life

I only stop to start again

A5

I reach out through the air

F5

Good luck is everywhere

G5

A5 Can almost touch it with my hands

D5

Just a little luck tonight

A5

Will do and dreams come true

Just a little luck tonight

C5

I can't stop the wheel

C5 **Break**

That turns the ball of steel

A5 F5

When passion rules the game

A5

I ain't got no control, when my heart's is flames

I'm a stranger in this town

Life takes me up and down

I'll break the score until I'm free

Can't stop to roll the dice

And in the morning light

A girl like you is all I need

Don't you need some love tonight

I do, yes I do

Don't you need some love tonight

How can we stand the heat

When love is all we need
