

Tulsa Jesus Freak - Lana Del Rey

Nakarat Bb

You should stay real close to Jesus

Dm

Keep that bottle at your hand, my man

F

Find your way back to my bed again

C

Sing me like a Bible hymn

Bb

We should go back to Arkansas

Dm

Trade this body for a can of Gin

F

Like a little peace of heaven

C

No more candle in the wind

Bb

You should come back to our place, baby

Gm

Don't be afraid of our love

Dm

On the second floor, darling

C

In the second flat, hurry up

Bb

'Cause down in Arkansas

The stores are all closed

Gm

And the kids in their hoodies

They dance super slow

Dm

We're white hot forever

F

And only God knows

Nakarat
