## She's So Gone - Lemonade Mouth

```
Yea,
            Em7
                         С
Insecure, in a skin, like a puppet a girl on a string,
                  Em7
Broke away, learn to fly, if you want her back gotta let it shine,
                           Εm
So it looks like the jokes on you, cause the girl that you thought you knew,
   G Em7 C
                         D G Em7
                                            С
She's so gone, it's so over now, She's so gone, you wont find her around,
                                            C D G+Intro.
                              С
                                   G
You can look but you wont see the girl I used to be, cuz she, she so gone,
G
                Em7
                            C
Here I am this is me, and I'm stronger than you ever thought I'd be,
                      Em7
Are you shocked? Are you mad?, that your missing out on who I really am,
                            Em
Now it looks like the jokes on you, cause the girl that you thought you
knew,
                      C D
                                        G Em7
        G Em7
She's so gone, that's so over now, she's so gone, you wont run her around,
                              C G
you can look but you wont see the girl I used to be cuz she, she so gone
       С
away, like history,
          G Em7
                   С
                                D
                                      С
               , baby this is me... yeah...
she's so gone
                      С
                           D
                                       G Em7
She's so gone, that's so over now, she's so gone, you wont find her around,
                               C
                                   G
              G
you can look but you wont see, the girl I used to be cause she
she so gone
      G Em7 C D C G
                             C G C D
She so gone, you can look but you wont see the girl I used t
o be cause she
She so gone, she's so gone...
```

So long, she so gone... gone, gone, gone.
