

Sick Cycle Carousel - Lifehouse

F G Am

F G Am
If shame had a face I think it would kinda look like mine

F G Am
If it had a home would it be my eyes?

F G Am F
Would you believe me if I said I'm tired of this?

E
Well here we go now one more time

(Pre Chorus)

Am G F
Cause I tried to climb your steps

G Am
I tried to chase you down

G F G
I tried to see how low I could get down to the ground.

Am G F
I tried to earn my way

G Am
I tried to change this mind

G F G
You better believe that I had tried to beat this

(Chorus)

C G
So where will this end
Dm

It goes on and on
Am C

Over and over and over again
G

Keep spinning around
Dm

I know that it won't stop
Am

Till I step down from this for good

F G - Am x 2

F G Am
I never thought I'd end up here

F G Am
Never thought I'd be standing where I am

F G Am
I guess I kinda thought that it would be easier than this

F E
I guess I was wrong now one more time

(Pre Chorus)

C G

So where will this end

Dm

It goes on and on

Am C

Over and over and over again

I know that it won't stop

Till I step down from this
