I've been looking for answers
C Dm
I've been looking for change

C Dm
In the middle of the rain
F C
Might seem a mile away

C Bb
You could be a smile away
C Dm
Could you feel my pain
Pre-Chorus Bb
How do I reach you
C
What's underneath you
Dm C
Keeping you safe and sound

Found what I'm chasing
C
Heart's racing

When you're around it feels like
Chorus F C Dm C
Angels over me
Bb C Dm
I've never seen them before
F C Dm C
But I feel angels over me
Bb C Dm Bb C Dm
I hear them sing I love you more, I love you more, I love you more
C Bb C F
I love you more, I love you more

Got the keys to the kingdom
C Dm
And it felt like a cage

I had to look for the wisdom
C Dm
Right there on the page
