

# So Why So Bad - Manic Street Preachers

A Bm  
Things get clear when I feel free,  
C#m D  
But what happens next comes easily,  
E F#m  
What gentle hands you brought to me,  
A C A  
When your eyes feel weak and tired it truly hits.

## VERSE

When I missed you you were my life,  
When I missed you you were my life,  
So at ease in the midnight sky,  
So at ease in the midnight sky,  
My insides will look like wire,  
My insides will look like wire,  
Paralysed as if to prove my thoughts.

## CHORUS

F#m (II)  
So why so sad,  
C#m  
You live and you love,  
  
So why so sad,  
You've given all the love,
