## Courage - Manowar(Gitar Tab)

Em

So for now wave goodbye and keep your hands held high

D

hear this song of courage long into the night

hear this song of courage long into the night

Kopru:

D5 В5 G5 Battles are fought by those with the courage to believe G5 Α5 they are won by those who find the hearts, find the heart to share this partner feels the soul will point the way to victory if there's a fight, I'll be there, I'll be there

So for now wave goodbye and keep your hands held high hear this song of courage long into the night And the wind will bear my pride, to all who hope to fly let the wings go high, my friend, here's to the end

So for now wave goodbye, keep your hands held high hear this song of courage long into the night.
