

## Heart Of Steel - Manowar

Am  
build a fire of thousand miles away  
G Am  
to light my long way home

I ride the comets my trial is long to stay  
G Am  
Silence is a heavy stone  
C D Am  
I fight the world and take all they can give  
C G Am  
there are times my heart hangs low  
C D Am  
Born to walk against the wind born to hear my name  
C G Am  
No matter where i stand i 'm all alone

Em C D G  
Stand and fight live by your heart  
Am C  
Always one more try  
G D  
I'm not afraid to die  
Am C D G  
Stand and fight say what you feel  
Am Bm C B  
Born with a heart of steel

Burns the bridge behind you  
A5  
Leave no retreat  
G5  
There's only one way home  
A5 F5  
Those who laugh and crowd the pat  
  
And cut each other's throats  
G5 A5  
Will fall like melting snow  
C5 D5  
And they will kneel  
A5  
And know this heat of steel  
C5 G5 A5  
. . . was . . . to hard to break to hard to hold
