

## Beautiful Goodbye - Maroon 5

Intro: G D Em C x2

Verse:

G D Em C  
I count the ways I let you down  
G D Em C  
All my fingers and toes but i'm running out  
G D Em C  
Clever words can't help me now  
G D Em C  
I tipped you attack but you're slipping out

Chorus:

G D Em C  
And I remember your eyes were so bright  
G D Em C  
When I first met you, so in love that night  
G D Em C  
And now i'm kissing your tears goodnight  
G D Em C  
And I can't take it, you're even perfect when you cry  
G D Em C  
Beautiful goodbye,  
G D Em C  
It's dripping from your eyes,  
G D Em C  
Your beautiful goodbye,  
G D Em C  
It's dripping from your eyes

Verse:

When did the rain become a storm?  
When did the clouds begin to form?  
Yeah we got knocked out of course by a natural force  
And well, we'll be swimming when it's gone

Chorus:

And I remember your eyes were so bright  
When I first met you, so in love that night  
And now i'm kissing your tears goodnight  
And I can't take it, you're even perfect when you cry  
Beautiful goodbye, bye, bye  
It's dripping from your eyes,  
Your beautiful goodbye,  
It's dripping from your eyes, oh yeah

Bridge:

D Em  
All the pain you try to hide
