But baby there you again, there you again making me love you  
Yeah I stopped using my head, using my head let it all go  
Got you stuck on my body, on my body like a tattoo  
And now i'm feeling stupid, feeling stupid crawling back to you  
So I cross my heart, and I hope to die, that i'll only stay with you one more night  
And I know i've said it a million times  
But i'll only stay with you one more night

Trying to tell you no, but my body keeps on telling you yes  
Trying to tell you stop, but your lipstick got me so out of breath  
I'd be waking up, in the morning probably hating myself  
And i'd be waking up, feeling satisfied but guilty as hell

But baby there you go again, there you go again making me love you  
Yeah I stopped using my head, using my head let it all go  
Got you stuck on my body, on my body like a tattoo  
And now i'm feeling stupid, feeling stupid crawling back to you  
So I cross my heart, and I hope to die, that i'll only stay with you one more night  
And I know i've said it a million times  
But i'll only stay with you one more night

Yeah baby give me one more night  
Yeah baby give me one more night  
Yeah baby give me one more night

But baby there you again, there you again making me love you  
Yeah I stopped using my head, using my head let it all go  
Got you stuck on my body, on my body like a tattoo  
Yeah, yeah, yeah, yeah

So I cross my heart, and I hope to die, that i'll only stay with you one more night  
And I know i've said it a million times  
But i'll only stay with you one more night

(yeah baby give me one more night)

So I cross my heart, and I hope to die, that i'll only stay with you one more night  
And I know i've said it a million times  
But i'll only stay with you one more night

I don't know, whatever...
