

## All About You - McFLY

C            Am            F            G  
it's all about you, it's all about you baby.

C            Am            F            G  
it's all about you, it's all about you.

C                    E                    Am                    C  
yesterday you asked me something i thought you knew

F                    G                    C  
so i told you with a smile it's all about you

C                    E                    Am                    C  
then you whispered in my ear and told me to

F                    G                    C            C7  
said you made my life worth while it's all about you

F                    Fm                    C                    Am  
and i would answer all your wishes if you ask me to

F                    D7                    G  
but if you deny me one of your kisses don't know what i do

C                    E                    Am                    C  
so hold me close and say three words like you used to do

F                    G                    C  
dancing on the kitchen tiles it's all about you yeah

C            E            Am            C            F            G            C            C7
