They say home is the place where your heart is

then I am home now but I am far away

for so long I've let deep forests guard it

Am C G2

and now it's begging me to stay

and I'm trying my best to be tough

to pretend I am strong and can siphon it off

but I'm not who I wanted to be

C G / B D / F# G

in my heart I belong in a house by the sea

they say home is a place where you're needed

then I am home now but I am leaving

to feel my feet being kissed by the seaweed

and I'll be silent and kiss it back

this is not who I want you to see

it's just adding on weight to the darkness in me

and from the little I have understood

I believe that a house by the sea would do good

they say home is a place you can choose to be

and I've decided to carry home inside me

so it's not really as if I am leaving

it's more like something pulling me

cause behind everything that I do

I just want to forget, want to carry this through

fill my lungs with the sweet summer air

in my heart in my mind I am already there

yeah behind everything that I do

I just want to come home and lay down beside you

and then I'll be who I wanted to be

in my heart I belong in a house by the sea
