

## Hysteria - Muse

Am E7  
It's buggin me, grating me  
Dm Am  
and twisting me around  
E7  
ya i'm endlessly caving in  
Dm Am  
and turnin inside out

(Chorus)

Am C  
'cause i want it now  
G  
i want it now  
Dm Am  
give me your heart and your soul  
C  
and i'm breakin out  
G  
i'm breakin out  
Dm E7  
last chance to lose control

Am E7  
it's holdin me, morphin me  
Dm Am  
and forcin me to strive  
E7  
to be endlessly cold within  
Dm Am  
and dreaming i'm alive

(chorus)

Am C  
'cause i want it now  
G  
i want it now  
Dm Am  
give me your heart and your soul  
C  
i'm not breakin down  
G  
i'm breakin out  
Dm E7  
last chance to lose control

C  
and i want you now  
G

i want you now
