

La La La - Naughty Boy

Giris: Em Bm Am C

Em Bm
Hush, don't speak
Am C
When you spit your venom, keep it shut I hate it
Em Bm
When you hiss and preach
Am C
About your new messiah 'cause your theories catch fire

Em Bm
I can't find those silver linings
Am C
I don't mean to judge
Em Bm
But when you read your speech, it's tiring
Am C
Enough is enough

Em Bm
I'm covering my ears like a kid
Am C
When your words mean nothing, I go la la la
Em Bm
I'm turning off the volume when you speak
Am C
Cause if my heart can't stop it, I find a way to block it
I go

Em Bm
La la, la la la...
Am C
La la, la la la...
C
I find a way to block it.
I go
Em Bm
La la, la la la...
Am C
La la, la la la...

Em Bm
Yes our love is running out of time
Am C
I won't count the hours, rather be a coward
Em Bm
When our words collide
Am C

I'm gonna drown you out before I lose my mind

Em Bm
I can't find those silver linings

Am C
I don't mean to judge

Em Bm
