I, I'm good at wasting time
I think lyrics need to rhyme
And you're not asking
        C
But I'm trying to grow a moustache
I eat cheese, but only on pizza, please
                 Em
And sometimes on a homemade quesadilla

And I, I really like it when the moon looks like a toenail
And I love you when you say my na-a-a-ame
If you wanna know here it goes gonna tell you this
The part of me that'll show if you're close
Gonna let you see
Εm
everything
But remember that you asked for it
I'll try to do my best to impress
But it's easier
to let you take a guess at the rest
But you wanna hear
what lives in my brain
My heart, will you ask for it,
for your perusing?
At times confusing,

I never trust a dog to watch my food
And I like to use to the word "dude"
As a noun, or an adverb, or an adjective
And I've never really been into cars
I like really cool guitars and superheroes
And checks with lots of zeros on 'em
I love the sound of violins
And making someone smi-i-i-ile
If you wanna know here it goes gonna tell you this
