

## How You Remind Me - Nickel Back

1.ksm

C5 F5  
Never made it as a wise man  
Bb5 Eb5  
I couldn't cut it as a poor man stealing  
C5 F5  
Tired of living like a blind man  
Bb5 Eb5  
I'm sick of sight without a sense of feeling  
C5 F5 Bb5  
And this is how you remind me  
C5 F5 Bb5 Eb5  
This is how you remind me of what I really am  
C5 F5 Bb5 Eb5  
This is how you remind me of what I really am

koro;

C5 Eb5  
It's not like you to say sorry  
Bb5 F5  
I was waiting on a different story  
C5 Eb5  
This time I'm mistaken  
Bb5 F5  
For handing you a heart worth breakin'  
C5x2 Eb5x2  
I've been wrong, I've been down  
Bb5 F5  
Been to the bottom of every bottle  
C5 Eb5  
These five words in my head  
Bb5 F5  
Scream "Are we having fun yet?"

C5 F5 Bb5 Eb5  
Yeah, yeah, yeah  
C5 F5 Bb5 Eb5  
Yeah, yeah, yeah

2. ksm;

C5 F5  
It's not like you didn't know that  
Bb5 Eb5  
I said I love you and I swear I still do  
C5 F5  
And it must have been so bad  
Bb5 Eb5  
Cause leaving him must have \*\*\* near killed you
