

This Is How You Remind Me - Nickel Back

Verse 1

=====

Csus2 F
Never made it as a wise man
Bb Bb/Eb
I couldn't cut it as a poor man stealin'
Csus2 F
Tired of livin' like a blind man
Bb Bb/Eb
I'm sick inside without a sense of feelin'

PreChorus

=====

C Eb Bb
And this is how you remind me
C F Bb Eb
This is how you remind me of what I really am
C F Bb Eb
This is how you remind me of what I really am

Chorus

=====

C Eb
It's not like you to say sorry
Bb F
I was waiting on a different story
C Eb
This time I'm mistaken
Bb F
For handing you a heart worth breakin'
C Eb
And I've been wrong, I've been down
Bb F
Into the bottom of every bottle
C Eb
These five words in my head
Bb F
Scream \"Are we having fun yet?\"
C F Bb Eb
Yeah, yeah, yeah, no no
C F Bb Eb
Yeah, yeah, yeah, no no

Verse 2

=====

(Note: The first part of verse 2 does some funky harmonizing with the guitar playing one note and the bass playing another, so i put what the bass is playing as well. 'G' is guitar, 'B' is bass. Rock on...)
