I don't care, I don't care, I don't care, I don't care, I don't care  
Care if I'm old

I don't mind, I don't mind, I don't mind, I don't mind, I don't mind  
If I don't have a mind

Get away, get away, get away, get away, get away, get away  
Way from your home

I'm afraid, I'm afraid, I'm afraid, I'm afraid, I'm afraid, I'm afraid  
Of a ghost

Even if you have  
Even if you need  
I don't mean to stare  
We don't have to breed  
We could plant a house  
We could build a tree  
I don't even care  
We could have all three

It isn't me  
We have some seed  
Let me clip  
Your dirty wings  
Let me take a ride  
Don't hurt yourself  
I want some help  
To please myself  
I've got some rope  
You have been told  
I promise you  
I've been true  
Let me take a ride  
Don't hurt yourself  
I want some help  
To please myself

Polly wants a cracker  
Maybe she would like more food  
She asks me to untie her  
A chase would be nice for a few

Polly said...

-----0--0--0-----
-----3---3--3---3---
--0----3--3--3-----

Polly says her back hurts  
And she's just as bored as me  
She caught me off my guard  
It amazes me, the will of instinct

Territorial Pissings

(E bar chords on frets 5, 13 and 10)

A5        F5        D5        A5        F5        D5  
When I was an alien, cultures weren't opinions.

A5                    F5                    D5  
Gotta find a way, to find a way, I'd better wait.

Never met a wise man, if so it's a woman

### Drain You

A      C#    F#    B    A              C#              F#              B

One baby to another said I'm lucky to have met you...  
 I don't care what you think unless it is about me  
 It is now my responsibility to completely drain you  
 A travel through a tube and end up in your infection

D              B

Chew your meat for you  
 pass it back and forth  
 In a passionate kiss,  
 from my mouth to yours

A5 G5    F#5

because I like you.

With eyes so dialted I've become your pupil  
 You've taught me everything with a poison apple  
 The water is so yellow, I'm a healthy student  
 Indebted and so grateful. Vacuum out the fluids.

B

You're my vitamins

A5    G5    F#sus4    F#5

because I like you

### Lounge Act

Truth covered in security  
 I can't let you smother me  
 I'd like to but it wouldn't work  
 Trading off and taking turns  
 I don't regret a thing

I've got this friend, you see  
 Who makes me feel  
 And I wanted more  
 Than I could steal  
 I'll arrest myself  
 And wear a shield  
 I'll go out of my way  
 To prove I still

Smell her on you

Don't, tell me what I wanna hear  
Afraid of never knowing fear  
Experience anything you need  
I'll keep fighting jealousy  
Until it's fucking gone

I've got this friend, you see  
Who makes me feel  
And I wanted more  
Than I could steal  
I'll arrest myself  
And wear a shield  
I'll go out of my way  
To prove I still  
Smell her on you

Truth covered in security  
I can't let you smother me  
I'd like to but it wouldn't work  
Trading off and taking turns  
I don't regret a thing

I've got this friend, you see  
Who makes me feel  
And I wanted more  
Than I could steal  
I'll arrest myself  
And wear a shield  
I'll go out of my way  
To make you a deal  
We've make a pact  
To learn from who  
Ever we want  
Without new rules  
We'll share what's lost and what we grew  
They'll go out of their way  
To prove they still  
Smell her on you  
They still, smell her on you  
Smell her on you

---

Stay Away

Monkey See, monkey do  
I'd rather be deal than cool  
Every line ends in rhyme  
Less is more, love is blind

Stay, stay away

Give an inch, take a smile  
Fashion shits, fashion stile  
Throw it out and keep it in  
Have to have poison skin

I don't know why  
I don't know why

---

On A Plain

I'll start this off  
Without any words  
I got so high that  
I scratched 'til I bled

And I can go home

Underneath the bridge  
The tarp has sprung a leak  
And the animals I've trapped  
Have all become my pets  
And I'm living off of grass  
And the drippings from the ceiling  
But it's ok to eat fish  
Cause they haven't any feelings
