I will never bother you
i will never promise to
I will never follow you
I will never bother you

[Pre-Chorus]

never say that word again
I will crawl away for good

[Verse]

I will move away from here
You won't be afraid of fear
No thought was put into this
Always known it would come to this

[Pre-Chorus]

Things have never been so swell
I have never failed to fail

[Chorus]

Paaaaaaain! :P (A few times)
You know you're right

[Verse]

Need someone to co-inside
I no longer have to hide
Let's talk about someone else
Stinging Silver begins to melt

[Bridge]

Nothing ever bothers her
She just wants to love herself

[Verse]

I won't move away from here
You will be afraid of fear
No thought was put into this
Always known it'd come to this

[Pre-Chorus]

Things have never been so swell
I have never failed to fail

[Chorus]

Paaaaaaain! :P (A lot of times)
You know you're right (A lot of times)
