

## Best Song Ever - One Direction

F C G  
Maybe it's the way she walked  
F C G  
Straight into my heart and stole it  
F C G  
Through the doors and past the guards  
F C G  
Just like she already owned it

Pre Chorus:

F G  
I said, "Can you give it back to me?"  
F G  
She said, "Never in your wildest dreams."

Chorus:

F C G  
And we danced all night to the best song ever  
F C G  
We knew every line now I can't remember  
F C G  
How it goes but I know that I won't forget her  
F C G  
Cuz we danced all night to the best song ever  
F  
I think it went oh, oh, oh  
C G  
I think it went yeah, yeah, yeah  
F C G  
I think it goes...

F C G  
Said her name was Georgia Rose  
F C G (down stroke twice on G)  
And her daddy was a dentist  
F C G  
Said I had a dirty mouth (I got a dirty mouth)  
F C G  
But she kissed me like she meant it

F G  
I said, "Can I take you home with me?"  
F G  
She said, "Never in your wildest dreams."

Chorus:

F		C	G
Best song ever			
	F		C G
