

## Irresistible - One Direction

G D  
Don't try to make me stay

Am  
Or ask if I'm okay

Em D  
I don't have the answers

G D  
Don't make me stay the night

Am  
Or ask if I'm alright

Em D  
I don't have the answer

D Em G D  
Heartache doesn't last forever

D Em G C  
I'll say I'm fine

D Em G D  
Midnight ain't no time for laughing

D Em G C  
When you say goodbye

G D  
It makes your lips so kissable

Em C  
And your kiss, unmissable

G D  
Your fingertips so touchable

Em C  
Your eyes irresistible

G D  
I've tried to ask my self

Am  
Should I see someone else?

Em D  
I wish I knew the answer

G D  
But I know, if I go now, if I leave

Am  
Then I'm on my own tonight

Em D  
I'll never know the answer

D Em G D  
Midnight doesn't last forever

D Em G D  
Dark turns to light

D Em G D

Heartache flips my world around

D                    Em                    G  
I'm falling down, down, down,  
D  
That's why...

                  G                    D  
I find your lips so kissable

                  Em                    C  
And your kiss unmissable

                  G                    D  
Your fingertips so touchable

                  Em                    C  
And your eyes irresistible

                  G                    D  
It's in your lips and in your kiss

                  Em                    C  
It's in your touch and your fingertips

                  G  
And it's in all the things and other things

                  D                    Em                    C  
That make you who you are and your eyes irresistible

G                    D  
It makes your lips so kissable

                  Em                    C  
And your kiss, unmissable

                  G                    D  
Your fingertips so touchable

                  Em                    C  
Your eyes irresistible
