

# Hallelujah - Paramore

C Am G  
Somehow everything's gonna fall right into place,  
C Am G  
If we only had a way to make it all fall faster everyday.  
C Am G

C Am  
Got nothing but time on our hands.

Am G  
Got nothing but, got nothing but.

C Am G  
Got nothing but time on our h a n d s.

Look at some other tabs for the solo.  
Also, I can't figure the chords out. Hehe.

C Am G  
This time we're not giving up,

C Am G  
Oh, let's make it last forever,

C Am G  
Screaming "Hallelujah".
