Trouble - Pink

 (G)No attorneys, To plead my (D)case
No (C)orbits, To send me (G)into outta space
And my fingers, Are (D)bejeweled
With diamonds and (C)gold, But that ain't (G)gonna help me (D)now

I'm (G)trouble (C), Yeah (G)trouble now (C)
I'm (G)trouble ya'll (C), I disturb (D) my (C)town
I'm (G)trouble (C), Yeah (G)trouble now (C)
I'm (G)trouble ya'll (C), I got (D)trouble in my (C)town

You think your (G)right, But you were (D)wrong
You tried to (C)take me, But I (G)knew all along
You can take me, For a (D)ride
I'm not a (C)fool out, So you (G)better run and (D)hide

I'm (G)trouble (C), Yeah (G)trouble now (C)
I'm (G)trouble ya'll (C), I got (D)trouble in my (C)town
I'm (G)trouble (C), Yeah (G)trouble now (C)

If you (Bm)see me (Em)coming
 (Am)Down the (C)street (D)then
You (Bm)know it's (Em)time to
 (Am)Go (and you (C)know it's time to (D)go
