Am C  
Flies with a broken wing, she's ever so graceful, so like an angel,  
Am C  
but I see, tears flow quietly.

Am C  
The struggle she's seen this spring, when nothing comes dancing,  
Am C  
paying a handsome fee, and still she smiles at me.

G G  
And I can't take it, no I can't help but wonder...

F C G C  
Why do we sacrifice the beautiful ones?

F C G  
How do you break a heart of gold?

F C G C  
Why do we sacrifice our beautiful souls?

F C G  
Heroes of tales unsung, untold.

Am C  
Sweet as an angel sings, she gives though she has none left but the  
Am C  
last one, free, unhesitatingly.

G G

And I am humbled, I'm a broken mirror, and I can't help but wonder...

**Why do ssacrifice the beautiful oness?..**

Why do ssacrifice our beautiful souls?..
