

## Love You 'Till The End - Pogues

Intro: A      D      A      D

A

I just want to see you

D

When you're all alone

A

D

I just want to catch you if I can

E

I just want to be there

D

A

When the morning light explodes

E

On your face it radiates

D

I can't escape, I love you 'till the end

A

I just want to tell you nothing

D

You don't want to hear

A

D

All I want is for you to say

E

Why don't you just take me

D

A

Where I've never been before

E

I know you want to hear me

D

Catch my breath, I love you 'till the end

A D

I love you 'till the end

A

I just want to be there

D

When we're caught in the rain

A

D

I just want to see you laugh not cry

E

I just wanna feel you

D

A

When the night puts on its cloak

E

I'm lost for words don't tell me

D

'Cause all I can say, I love you 'till the end

A D

I love you 'till the end

A D

I love you 'till the end

A D

I love you 'till the end

A D

I love you 'till the end

A D

All I can say, I love you 'till the end

A D

I love you 'till the end (2)

A D

Cause all I can say, I love you 'till the end

A D
