

All The Right Friends - R.e.m

F Am
Now the radio stutters. snaps to life.

Some sour song that sets it right.

In a universe where you see the worst,

And it's up to you to fix it.

Now you've worked it out

And you want to shout
C A# Am F D
How you see it all

It's easy to dismiss the 'what's it all about' crowd.
There is no doubt. it's this, here, now.
And you close your eyes.

/|
He's not coming back.

/ |
So you work it out, overfeed the cat.

|
And the plants are dry and they need to drink.

—|

So you do your best. and you flood the sink.
Sit down in the kitchen and cry.

Now you've worked it out

—
And you see it all

|
And you've worked it out

/
And you see it all

/
And you want to shout

—|
How you see it all

Am F

Now the universe left you for a runners lap.
It feels like home when it comes crashing back.
And it makes you laugh
And it makes you cry,

/|
When London falls

/ |
And you're still alive.

|
The radio stutters,

—|
It makes you laugh

And the aftermath,

Open up your eyes.

You're so alive.

Now you've worked it out

And you see it all

And you've worked it out

—
And you see it all

|
And you want to shout

/
How you see it all

/
How you've worked it out

—|
And you see it all

How you've worked it out

And you see it all
