Love - Rosey

```
Love, I am so different
Love, I am so different than before

C#              G#
Love, can I be loved
G#                              C#
Love, could I ever really be loved
F#                      C#
Love, if you ever find me I wonder
               G#                           C#
Will you try me I m so different than before

C#                      G#
Love, the kind that I ve dreamed of
G#                                      C#
Well let s stop right here inside of me love
F#                      C#
Love, if you ever find me I wonder
                G#                              C#
Will you try me I m so different than before
G#                              C#
Love, I am so different than before

C#                          G#
Love, where are you waiting
G#                                      C#
In dark and smoky room I hear you singing to me
F#                          C#                      G#
Love, let my voice take you and the song we make
C#
would be so different than before Ooh yes
F#                          C#
Love, if you ever find me I wonder
                   G#                              C#
Then I ask you try me I am so different than before
G#                              C#
Love, I am so different than before

A
The word is out, the time is gone
B
Begin again remember my love
E
Make it strong
D               C#
Stretching out to everyone
A
Nothing replays
B
```

```
This is what I want, this is what I make
E
Every little thing gonna be alright
D                C#
One day or so you ll be my love
                              G#
This time you won t mistake me

                              C#
I m ready love for you to take me with you
F#                   C#
Love, if you ever find me I wonder
            G#                          C#
Will you try me I m so different than before
Ooh yes
F#                          C#                              G#
My love, I know when you found me I ll rock yourself all around me
G#                                      C#
Then I ask you try me I am so different than before
Ooh yes,
F#                   C#                  G#
MY love I know you ll show me the words
```
