

## Shadow Of A Doubt. - Roxette

Bm F#m  
I heard your heart, you held it close to me.

Bm F#m  
The wild embrace, the silent sea,  
E D E D  
a whisper of imagery, for lovers supreme.

F#m E D E  
But now, I m lost in the crowd,  
F#m E D E  
no shadow of a doubt, It s all over now.  
F#m E  
No shadow of a doubt.

Bm F#m  
You changed the dream. You changed the scenery,  
Bm F#m  
the tender touch, the urge to breathe,  
E D E D  
here under a lovelit sun what s lost could be found.

F#m E D E  
But now, no trace of a sound,  
F#m E D E  
no shadow of a doubt, I m far away bound.  
F#m  
No shadow of a doubt.

no shadow of a doubt, It s all over now.
