

# I Knew I Loved You - Savage Garden

## VERSE 1

A Bm7 C#m7 D  
Maybe it's intuition  
A Bm7 C#m7  
But some things you just don't question  
D  
Like in your eyes  
A Bm7 C#m7 D  
I see my future in an instant  
A  
And there it goes  
Bm7 D E  
I think I've found my best friend  
Bm7 C#m7 D E Bm7  
I know that it might sound more than a little crazy  
C#m7 D2  
But I believe

## CHORUS

A Bm7 D  
I knew I loved you before I met you  
E A Bm7 D  
I think I dreamed you into life  
E A Bm7 D  
I knew I loved you before I met you  
E A Bm7 D2  
I have been waiting all my life

## VERSE 2

A Bm7 C#m7 D  
There's just no rhyme or reason  
A Bm7 C#m7  
Only this sense of completion  
D  
And in your eyes  
A Bm7 C#m7  
I see the missing pieces  
D  
I'm seaching for  
A Bm7 D E  
I think I've found my way home  
Bm7 C#m7 D E Bm7  
I know that it might sound more than a little crazy  
C#m7 D / E  
But I believe

## CHORUS

A Bm7 D  
I knew I loved you before I met you

E                    A                    Bm7   D  
I think I dreamed you into life  
E                    A                    Bm7                    D
