

And now shes waiting for the right kind of pilot to come  
And she'll say to him Just saying

I would fly you to the moon and back if you'll be, if you'll be my baby  
I've got a ticket for a world where we belong  
So would you be my baby?

I would fly you to the moon and back if you'll be, if you'll be my baby  
I've got a ticket for a world where we belong  
So would you be my baby ... yeah
